25 YEAR RE-REVIEW

STAT

I should like to commend you for the exceptionally fine support given to me during my recent trip throughout the European area. Your fine judgment and professional skill contributed materially to the successful accomplishment of my mission, and reflect much credit upon yourself and the USAF. Your detailed planning of a complicated schedule, as well as your navigation throughout the trip, was truly a superior performance.

I convey to you my personal thanks and best wishes for future success in your Air Force career.
